BOAT SALES

LAKELAND LEISURE ESTATES

Description

Step aboard 2nd Edition, a beautifully crafted 35ft Aintree Beetle that perfectly blends compact cruising with high-spec comfort.

Built in July 2022 by the renowned Aintree Boat Builders in Liverpool, this nearly new narrowboat comes with a host of bespoke upgrades chosen by her current owners. Designed with ease, functionality, and style in mind, 2nd Edition is ideal for weekends away, relaxed holiday escapes, or spontaneous days on the water.

The heart of the boat features a smartly designed galley with solid wood worktops, an integrated sink and drainer, two-burner gas hob, microwave, and a 12v fridge—all set against a backdrop of warm wooden cabinetry. This space offers everything you need for preparing meals onboard, with ample storage for longer stays.

Moving into the lounge, you'll find two upholstered bench seats that effortlessly convert into a double bed, making the space both practical and inviting. A smart TV provides entertainment, while glazed double doors open onto a cratch-covered well deck. Here, cushioned locker seating creates a perfect spot to enjoy the surroundings, morning coffee in hand.

The dinette area boasts an L-shaped seating arrangement that also transforms into a double berth. A solid fuel stove adds both charm and warmth, and a full-sized wardrobe ensures storage is never an issue. This area leads directly out to the generous cruiser stern deck—ideal for socialising or dining alfresco with the detachable table in place.

The spacious wet room bathroom includes a full-size shower, cassette toilet, and a modern wash basin, along with cleverly designed storage, providing both comfort and convenience in a stylish layout.

Whether you're looking for your first narrowboat or downsizing to a more agile and manageable vessel, 2nd Edition offers thoughtful design, high-quality finishes, and the promise of adventure on every cruise.
