BOAT SALES
LAKELAND LEISURE ESTATES

Description

Catnap is a beautifully presented 50ft cruiser stern narrowboat built by the respected Liverpool Boat Builders in 1997. With her stylish grey interior, thoughtful layout, and recent upgrades, she offers a warm and inviting space that's ideal for both leisure cruising and comfortable liveaboard living. From bow to stern, Catnap has been lovingly maintained and tastefully modernised, making her a perfect choice for those seeking a ready-to-go floating home.

The kitchen is sleek and modern, designed for both practicality and comfort. Fitted with a 4-ring gas hob, eye-level oven and grill, and a 12V fridge, the galley allows you to cook with ease while on the move. Under-counter cupboards offer plenty of space for storage, keeping everything neatly tucked away. The grey cabinetry and clean lines tie in beautifully with the rest of the interior, giving the space a calm and contemporary atmosphere.

Moving forward, the lounge is bright and comfortable, with a sofa bed that easily converts to create additional sleeping space. A multi-fuel stove provides a cosy focal point, making this a perfect spot to relax with a book or enjoy the view through the windows. There is also space to add a dining table, making it ideal for entertaining or enjoying a quiet meal onboard. The stylish grey décor continues here, creating a modern yet homely feel that makes Catnap stand out from the crowd.

The master bedroom is well-proportioned and thoughtfully designed, featuring a fixed double bed with generous storage underneath. Overhead cupboards and a very large wardrobe with hanging space provide all the room you need for clothes and essentials, whether you're away for a weekend or living aboard full time. Reading lights above the bed add to the comfort, offering a snug retreat at the end of the day.

The bathroom has been recently updated and is both functional and attractively finished. It includes a brand new plumbed-in Porta Potti, a fully tiled shower, and a sink with vanity unit, providing everything you need in a compact and stylish space. Light and clean, it's the perfect complement to the rest of the boat's modern interior.

With her elegant grey styling, well-maintained condition, and efficient use of space, Catnap is a narrowboat that feels both contemporary and welcoming. Whether you're looking for a weekend escape, a holiday cruiser, or a full-time floating home, this boat offers a wonderful opportunity to step straight into life on the water.
