LAKELAND LEISURE ESTATES

Description

Discover the simple joy of canal cruising with Dawdle – a beautifully maintained 30ft cruiser stern narrowboat that's full of character and charm. Built in 2002 by the highly regarded Sea Otter, this compact vessel is ideal for anyone looking to enjoy peaceful weekends on the water, explore the inland waterways, or embrace a minimalist liveaboard lifestyle.

Sea Otter boats are known for their quality aluminium hulls – a lightweight, corrosion-resistant alternative to steel that requires less ongoing maintenance and offers long-term durability. With a reputation for solid craftsmanship and practical design, Dawdle is a reassuring choice for first-time buyers or experienced boaters seeking an easy-to-handle vessel.

The internal layout has been carefully designed to maximise every inch of space. From the cruiser stern, you step directly into a compact yet functional bathroom, which includes a toilet and wash basin, with space for a shower if not already fitted. Moving forward, the galley is equipped with everything you need to prepare a meal on the move – worktop space, storage, a sink, and cooker facilities.

The heart of the boat is the saloon, a warm and welcoming space with room to sit, relax, and take in the view through the windows. It's perfect for enjoying a quiet evening, reading by the fire, or converting into a sleeping area when needed. Despite its size, Dawdle offers a surprisingly homely feel, with thoughtful storage and layout touches throughout.

With its manageable length and straightforward systems, Dawdle is an ideal option for solo cruisers or couples seeking a peaceful floating retreat. Whether you're mooring up in a scenic marina or cruising along leafy canals, this boat makes every journey a delight.
