BOAT SALES
LAKELAND LEISURE ESTATES

Description

La Dolce Vita is a beautifully presented 60ft x 12ft widebeam built by Collingwood Boat Builders in 2017. Having recently benefited from a full professional valet inside and out, including carpet and upholstery cleaning along with a complete exterior polish, this impressive widebeam is presented in exceptionally fine pre-owned condition. Offering all the space and comfort of a modern waterside apartment, La Dolce Vita represents outstanding value when compared to a comparable new-build widebeam. With spacious accommodation for up to four people, modern systems throughout and a high specification, this is an ideal opportunity for those seeking a luxury waterside retreat.

The square cruiser stern has been designed to maximise outdoor entertaining. A full pram cover creates a sheltered and versatile space that comfortably seats up to six people around a large hardwood table, making it perfect for alfresco dining, socialising with friends or relaxing while enjoying waterside views. The seating arrangement is supported by three Desmo leg fittings and can be easily removed within minutes when required. Tek Dek flooring enhances both the appearance and practicality of the space, providing improved insulation underfoot and a premium finish throughout.

The spacious kitchen has been thoughtfully designed to offer all the conveniences of a modern home. It features a full-sized separate fridge and freezer, a stainless steel microwave, four-burner gas hob with extractor hood, and a separate full-sized oven and grill. A stainless steel sink is seamlessly integrated into a granite drainer, complemented by extensive matching granite worktops that provide generous preparation space. A breakfast bar with seating for two creates an informal dining area, while the full-sized washing machine and excellent range of eye-level and base units ensure ample storage for everyday life.

The lounge is a welcoming and comfortable space, ideal for relaxing after a day on the water. A large Sofology sofa bed provides additional sleeping accommodation for guests while maintaining excellent comfort for everyday use. Entertainment is provided by a 40-inch Smart TV complete with soundbar and DVD player. The multi-fuel stove creates a cosy focal point during the cooler months, while numerous cupboards, shelving units and storage solutions help keep the space organised and clutter-free. The open-plan design creates a bright and sociable atmosphere throughout.

The bathroom is finished to a high standard and offers all the comforts expected from a modern home. It is fitted with a Vetus ceramic pump-out toilet, a stylish ceramic washbasin set above a vanity unit and a spacious glazed double shower enclosure. A heated towel rail provides additional comfort and warmth, while the extensive range of storage cupboards offers practical space for toiletries, towels and personal belongings. The generous proportions make this a highly functional and attractive bathroom.

The master bedroom provides a peaceful and luxurious retreat. A full-sized double bed with a memory foam mattress ensures a comfortable night's sleep, while a second 40-inch Smart TV adds convenience and entertainment. Storage is a major feature of this cabin, with three floor-to-ceiling mirrored wardrobes complemented by numerous additional cupboards, drawers and a dedicated dressing table. Hardwood glazed double doors lead directly onto the cratch-covered well deck, allowing natural light to flood the cabin and creating a wonderful connection to the outdoor space.

La Dolce Vita is available to view at Tattenhall Marina and presents a fantastic opportunity to acquire a spacious, high-specification widebeam in exceptional condition. Early viewing is highly recommended.

Additional Specs
