## Description

Lindy Loo is a beautifully crafted 2006 Saver 690 Cabin Sport, measuring 23 feet 4 inches in length and offering a perfect blend of Italian style and performance. Built in Italy with a keen eye for detail, this striking two-berth cruiser is designed to turn heads wherever she goes. From the sleek lines of her hull to the well-thought-out interior, Lindy Loo offers both practicality and elegance, making her ideal for weekend escapes, day trips, or lazy afternoons at the marina.

One of Lindy Loo's standout features is her spacious and sociable cockpit. With generous seating for up to eight people, it's the perfect place to gather for drinks, sunbathe, or simply enjoy the view. Whether you're hosting friends or unwinding with family, this outdoor space is sure to become a favourite spot onboard.

Inside, the cabin is compact but cleverly laid out, offering a cosy living space with soft furnishings and seating that converts easily into a comfortable double berth. With surprisingly generous headroom for a boat of her size, Lindy Loo provides a welcoming interior that doesn't compromise on comfort. The galley is well equipped for weekend stays, featuring a cooker, sink, hob, and fridge – everything you need for preparing meals afloat.

The onboard bathroom adds a further layer of convenience, complete with a toilet, handbasin, and shower. Whether you're anchored up for the night or spending a full day cruising, you'll appreciate the thoughtful amenities that make life onboard a breeze.

Powered by a reliable Tohatsu 9.8hp outboard engine, Lindy Loo offers smooth handling and efficient cruising. Her layout flows logically from stern to bow – starting with a large rear deck, moving into the compact bathroom, and finishing with a versatile living space up front. She's an ideal choice for those seeking a stylish, low-maintenance boat with the flair of Italian design and the practicality needed for relaxed leisure cruising.
